Software Engineer experienced in JavaScript, React and TypeScript with a growing proficiency in Node.js and MongoDB. Proven leader and cross-functional team collaborator with over 10-years of total work experience in the customer service and entertainment industry. Self-disciplined innovator meticulous about code with a keen eye for aesthetic design.

## SKILLS

JavaScript Python React TypeScript Redux Toolkit React Query Flask MongoDB Mongoose SQLite Postman  
Vercel Supabase Sanity OOP ORM Git Github Trello UX/UI CSS TailwindCSS NPM CLI Vite HTML5

## EXPERIENCE

**Personal Project** - Petite Leaf | Botanical e-commerce application for plant lovers | January 2024 - April 2024 | [Live](#)

- Optimized frontend performance by streamlining API requests with React Query and custom hooks across application.
- Developed scalable sorting and filtering solutions to improve product search performance and product discovery.
- Designed responsive, brand-aligned UI with TailwindCSS, Daisy UI, and Ant Design for a seamless user experience.

**Hackathon**- Mind Matters | Self-care tracker - Women Who Code Hackathon For Social Good | October 2023 | [Github](#)

- Led the development of a single-page application using React and React Router for client-side-routing.
- Managed a remote, cross-functional team and oversaw scheduling, merge conflict resolution, and code reviews.

**Flatiron Bootcamp Capstone Project** - Camp Retro | Game application with retro prizes. | June - July 2023 | [GitHub](#)

- Constructed RESTful API utilizing Python, Flask and Flask-Restful facilitating the application request-response cycle.
- Designed one-to-many and many-to-many relationship database schema, connecting ORM models to SQLite database.

**Actor** - Freelance | August 2011 - September 2021

- Performed leading roles in the original play, *Pillow Talk* at The Players Club and *Always Us* at the Manhattan Rep Theater.
- Screened and finalized annual film selection and planned curated film blocks for the Female Voices Rock Film Festival.
- Held positions including assistant director, writer, production assistant, stage crew and volunteer at The Actors Studio.

**Senior Retail Sales Associate** - Anthropologie | August 2013 - January 2016

- Promoted to Senior Sales Associate within the first year at the NYC flagship Anthropologie store at Rockefeller Center.
- Trained newly hired employees on POS systems, store policies, loss prevention and customer service standards.

**Administrative Assistant** - New York Film Academy (NYFA) | June - August 2012

- Served as the primary point of contact for students, parents, and instructors through phone, email, and in-person communication, while collaborating with cross-functional teams to develop curriculum for film and acting programs.

## EDUCATION

**Full Stack Software Engineering Certification** — Flatiron School

April 2023 - July 2023 | Remote

**Bachelors of Arts, Psychology** — University of Virginia

August 2007 - May 2011 | Charlottesville, Virginia
